

Golf Tee Turf

Designed to be hard-wearing and durable, our Golf Tee Turf is low maintenance, non-filled and works with or without standard tees, making it both versatile and easy to install. Regardless of your golf setting, this artificial grass is guaranteed to offer a useful and effective solution to your needs. Our golf tee turf is made using two different tones of heavy-duty nylon pile with a height of 25mm, allowing for exceptionally good recovery, durability and gameplay.
